**GCW Bhagwati Nagar Jammu organized a Road Rally and an awareness campaign**

**NEN NEWS SERVICE JAMMU, MAY 22**

The U-20 club of Government College, Jammu, in collaboration with NSS Unit of the college organized a Road Rally and an awareness campaign about SDG in the nearby village of Guphal. The 17 Goals of United Nations Organization listed 'Sustainable' Development Goals' consisting of 17 goals and 169 targets such as no poverty, zero hunger, good health and well-being, quality education, gender equality etc. to eradicate poverty and

achieve a sustainable world. The aim of the road rally and awareness campaign was to make the students and public realize these goals. The event started with a road rally in which the principal of the college Dr. Manoj Kumar along with committee members under Prof. Parvinder Kaur Baghel off the rally. Speaking on the occasion, Dr. Manoj Kumar, Principal of the college elaborated that these types of activities play an important role in building confidence among the

students and society at large. She further said that the Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including poverty, inequality, climate change, environmental degradation, peace and justice. She advised the committee and students to act as role models for propagating SDG.

Students raised slogans and showed banners and placards to create awareness among the masses. The students of the college also carried out an campaign in Guphal village by visiting door to door. They guided the people about the role of education in eradicating poverty, how to save energy, hygiene and sanitation, clean water and gender equality in every field of life. The students enthusiastically participated in the events.

The events were organized by Prof. Parvinder Kaur and Prof. Anu Bala under the able guidance and leadership of the principal of the college Dr. Manoj Kumar.
