GCW Bhagwati Nagar organized week long activities in the college premises

**NIN NEWS SERVICE
JAMMU, JUNE 28**

GCW Bhagwati Nagar organized week long activities in the college premises under Nasha Mukta Abhiyan to raise awareness about harmful effects of drug abuse, under the able guidance of Principal of the college Dr. Manu Ahluwalia. On 21st of June, 2023 a Poster making Competition was organized in the college in which many students of the college participated and made posters depicting the theme "Say No to Drugs". Drug Addiction refers to the harmful need to consume substances that have damaging consequences on the user. Keeping this in mind, a rally was organized on 21st of June 2023 to make the people aware about the

side effects of drug abuse. Students raised slogans and displayed placards depicting the message related to the same.

On 27th of June, 2023, a Quiz competition was organized in the college in which several B students of the college participated which awarded them prizes.

presentations and shared their views on the topic "Drug Abuse and its Physical and Psychological Impact on the Individual". Speaking on the occasion, Principal of the college Dr. Manu Ahluwalia elaborated that drug abuse is basically a brain disease that changes the functioning of brain. The brain becomes highly dependent on these drugs and cannot function without them. It can also lead to many more health problems such as liver failure, or even permanent brain damage. So, one should always stay away from these types of activities. All the activities were conducted by Prof. Parvinder Kaur, incharge Nisha Mukta Abhiyan under the patronage of Principal of the college, Dr. Manu Ahluwalia.
