the resource person.

The talk addressed Gender sensitizing, which is about changing behavior and instilling empathy into the views that we hold about our own and the other genders. The workshop opened with a short lively activity to help the Catholics explore the basis of their individual perceptions of gender roles and stereotypes and how these shape our definitions of appropriate behaviour. This was fol-

on the fact that gender sensitivity applies to not just girls or boys but both the genders and one must learn to respect each other. The Do's and Don'ts, Female stereotypes like being compliant, caring, soft, relational, weak, hysterical/emotional, home oriented ways to prevention of gender based malpractices and the current judicial scenario were explained during the were discussed in detail.
